vrb的意思

1、abbr.voice rotating beacon 音频转动信标;

vrb的双语例句

1、Effects of current density and temperature on the performance of VRB

电流密度和温度对VRB性能的影响

2、However, many problems of electrode materials restrict the development of VRB.

但目前钒电池在电极材料方面还存在很多问题,制约着钒电池的发展。

3、Study on VRB variable wind in automatic meteorological observing system

自动观测系统中VRB风向不定问题的探讨

4、 It was examined in VRB that the over potentiality was mainly caused by positive pole reactions.

实验表明：电池的过电位主要由正极反应造成；

5、 Vanadium redox flow battery (VRB) is mainly used in energy storage of wind energy and solar energy and regulation of power grid.

钒电池（VRB）是一种新型的储能电池，主要应用于风光储能和电网调节中。

6、 All vanadium redox flow battery (VRB) is a novel electrochemical apparatus which can transfer and store electricity effectively.

全钒液流电池是一种新型高效电能转化与储存装置。

7、 In this paper, the electrode materials of VRB were modified, and the kinetic parameters of varies working electrodes reaction were also calculated.

本论文针对钒电池电极材料进行了改性研究，计算了不同工作电极反应的动力学参数。分析了电池充放电过程中电池性能的变化及其电池失效的原因。
