## 2025年6月四级作文范文带翻译6：网络游戏

Recently, many college students have become addicted to online games, causing concern among parents and schools. While some argue that online gaming is detrimental, others believe it has its merits.

Those worried about online games argue that addiction can lead to poor academic performance and even health problems. Moreover, excessive gaming may isolate students

from real-life interactions, hindering their social development.

However, supporters of online games contend that they can be a beneficial form of entertainment and stress relief. They argue that gaming can enhance skills such as strategic thinking and hand-eye coordination. Additionally, online games can provide a platform for making friends and learning teamwork.

In my opinion, online games should be played in moderation. It is essential to balance gaming with academic and social responsibilities. As long as one can manage their time effectively and not let gaming interfere with daily life, it can be a enjoyable and educational activity.

最近，许多大学生沉迷于网络游戏，这引起了家长和学校的担忧。虽然有些人认为网络游戏有害，但也有人认为它有其优点。

担心网络游戏的人认为，上瘾可能导致学业成绩不佳甚至健康问题。此外，过度游戏可能使学生与现实生活的互动隔绝，阻碍他们的社交发展。

然而，网络游戏的支持者认为，它们可以是一种有益的娱乐和减压方式。他们认为，游戏可以增强如战略思维和手眼协调等技能。此外，网络游戏可以提供一个交友和学习团队合作的平台。

在我看来，网络游戏应该适度玩耍。平衡游戏与学业和社交责任是至关重要的。只要一个人能够有效管理自己的时间，不让游戏干扰日常生活，它就可以是一种愉快且富有教育意义的活动。

Regarding whether college students should use the Internet, different people have different opinions. Some argue that the Internet is a double-edged sword. While it provides convenience, it also brings negative impacts such as online addiction and privacy issues. They believe that college students should limit their Internet use. However, others hold the view that the Internet is a vast resource of information and a powerful tool for communication. proper use of the Internet can greatly benefit college students.

In my opinion, the Internet is an essential tool for us. We should make good use of it and avoid its disadvantages. College students, in particular, should develop good online habits and use the Internet in a reasonable and responsible manner.

互联网已经成为我们生活中不可或缺的一部分。如今，许多人每天都会在互联网上花费大量的时间，无论是工作、学习还是娱乐。

关于大学生是否应该使用互联网，不同的人有不同的观点。有些人认为互联网是一把双刃剑。虽然它提供了便利，但也带来了诸如网络成瘾和隐私问题等负面影响。他们认为大学生应该限制他们的互联网使用。然而，另一些人则认为互联网是一个巨大的信息资源库和强大的沟通工具。合理使用互联网可以极大地造福大学生。

在我看来，互联网是我们不可或缺的工具。我们应该充分利用它，避免它的弊端。特别是大学生，应该培养良好的网络习惯，合理负责地使用互联网。

### 2025年6月四级作文范文带翻译8：如何解决大学生就业率低的问题

#### How to Resolve the Low Employment Rate problem of College Graduates

In recent years, the employment rate of college graduates has been surprisingly low, which has aroused widespread concern. The difficulties in finding jobs have become a hot issue in our society.

Several factors contribute to this phenomenon. Firstly, the number of college graduates increases annually, while the job market cannot provide enough positions for such a large number of students. Secondly, some college students do not invest enough time and effort in their studies, resulting in a lack of proficiency in their professional skills. Lastly, some students have high expectations for their first jobs, holding out for the ideal position and refusing to compromise.

To address this issue, it is essential to take effective measures. For one thing, colleges should offer more career planning and job-hunting guidance to students, helping them better understand the job market and their own strengths. Additionally, students should be encouraged to enhance their skills and expand their knowledge during their college years. Only by doing so can they increase their competitiveness in the job market.

近年来，大学生毕业就业率出奇地低，引起了广泛的关注。找工作难已经成为我们社会的一个热点问题。

这种现象的产生有几个因素。首先，大学毕业生的数量每年都在增加，而就业市场无法为如此多的学生提供足够的职位。其次，一些大学生在学习上投入的时间和精力不足，导致他们的专业技能不熟练。最后，一些学生对第一份工作有很高的期望，他们坚持等待理想的工作，不愿意妥协。

为了解决这个问题，有必要采取有效的措施。一方面，大学应该为学生提供更多的职业规划和求职指导，帮助他们更好地了解就业市场和自己的优势。另外，应该鼓励学生在大学期间提升自己的技能和扩展知识。只有这样，他们才能在就业市场上提高自

己的竞争力。

## 2025年6月四级作文范文带翻译9：对盗版说不

### Say No to Pirated Products

The issue of pirated products has become increasingly severe in our society. These products not only infringe upon the rights of creators but also harm consumers' interests.

To tackle this problem, it is essential to take effective measures. Firstly, the government should enforce stricter laws and regulations to crack down on the production and sale of pirated products. Secondly, the public should be educated to raise their awareness of the importance of intellectual property rights. Consumers should be encouraged to拒绝pirated products and support genuine ones. Lastly, the prices of genuine products should be made more affordable to attract consumers.

In conclusion, combating pirated products requires the joint efforts of the government, businesses, and the public. Only by working together can we create a healthy market environment.

盗版产品的问题在我们的社会中变得越来越严重。这些产品不仅侵犯了创作者的权利，也损害了消费者的利益。

为了解决这个问题，采取有效措施是必要的。首先，政府应该执行更严格的法律和法规，打击盗版产品的生产和销售。其次，应该对公众进行教育，提高他们对知识产权重要性的认识。应鼓励消费者拒绝盗版产品，支持正品。最后，正品的价格应该更加亲民，以吸引消费者。

总的来说，打击盗版产品需要政府、企业和公众的共同努力。只有团结合作，我们才能创造一个健康的市场环境。

## 2025年6月四级作文范文带翻译10：量体裁衣

This cartoon, though seemingly absurd, carries a powerful message: a customer, of considerable size, is holding a tiny piece of fabric while a tailor takes measurements with great care. The scene is a metaphor for the necessity of aligning one's aspirations with the constraints of reality. Chasing after one's wishes without regard for actual circumstances is a recipe for disappointment.

The analogy is particularly relevant in today's job market, where the number of graduates outstrips the number of available jobs. Each year, about 3 million students pour into the workforce, but many face difficulties in securing suitable positions due to the limited opportunities. Beyond the numerical mismatch, however, lies another issue: some

graduates have an unrealistic self-assessment of their skills and prospects.

To chart a feasible path for the future, it's crucial to make informed decisions and prepare oneself adequately. For instance, a student aspiring to become a surgeon should seek out clinical experience and deepen their medical knowledge. In other words, just as one should measure carefully before cutting cloth, so should individuals assess their situation accurately before setting their career goals. A small piece of fabric, like an ill-suited career path, will not suffice to cover the needs of a larger ambition.

这幅漫画虽然看似荒谬，却传达了一个强烈的信息：一个体型相当大的顾客正拿着一小块布料，而裁缝则在小心翼翼地量尺寸。这一幕是对一个人必须将自己的愿望与现实的限制相协调的必要性之隐喻。不考虑实际情况，盲目追求个人愿望，只能是失望的源泉。

这个类比在当今的就业市场上尤为贴切，毕业生的数量远远超过了可用职位。每年大约有300万学生涌入劳动力市场，但由于机会有限，许多人在寻找合适职位时面临困难。然而，除了数量上的不匹配之外，还有一个问题：一些毕业生对自己的技能和前景有着不切实际的自我评估。

为了规划一条可行的未来道路，做出明智的决定并充分准备自己是至关重要的。例如，一个渴望成为外科医生的学生应该寻求临床经验并深化他们的医学知识。换句话说，就像在裁剪布料之前应该仔细量体一样，个人在设定职业目标之前也应该准确评估自己的情况。一小块布料，就像一个不适合的职业道路，无法满足更大的抱负。
